

Financial Requirements Calculator

Calculate the exact funds you need to show, country by country - with a personal worksheet to total your own numbers.

2026 UPDATE — this replaces outdated advice you may have read elsewhere

Germany's blocked account requirement has risen to EUR 11,904/year (EUR 992/month) - some course materials still quote the older EUR 11,208 figure. Always confirm the live number with your provider before transferring funds, since these thresholds are reviewed periodically.

Total Minimum Funds Required (2026)

Country	Tuition (Year 1)	Living Expenses	Recommended Buffer
USA	\$20,000 - \$55,000	\$15,000 - \$25,000	+20-30%
UK	GBP 15,000 - 35,000	GBP 10,539 - 13,761	+20%
Canada	CAD \$15,000 - \$35,000	CAD \$10,000 - \$15,000	+15-20%
Australia	AUD \$20,000 - \$45,000	AUD \$29,710	+20-25%
Germany	EUR 0 - 3,000	EUR 11,904 (blocked account)	+10%

Buffer Strategy

Always show 20-30% more than the stated minimum. This demonstrates financial stability and reduces an officer's concern that you'll struggle or be tempted to work illegally.

Your Personal Calculation

Item	Amount
Tuition (Year 1, from your offer letter)	
Living cost requirement for your destination	
Health insurance / OSHC / IHS	
Visa application + biometrics fees	

Recommended buffer (20-30%)
